

Sample Test Case Matrix

Documenting your tests in a table creates a clear deliverable you can include in your project report:

Test ID	Feature	Test Scenario / Steps	Expected Result	Pass/Fail
TC01	Login	Enter valid student ID & password	Redirects to student dashboard successfully	Pass
TC02	Prerequisites	Register for CS201 without taking CS101	Registration blocked; error message displays	Pass
TC03	Unit Limit	Add courses exceeding max credit units	System prevents adding the extra course	Pass
TC04	Drop Course	Click "Drop" on registered course ENG101	Course removed from list; unit total updates	Pass
TC05	Double Registration	Try adding CS101 twice in the same semester	System prevents duplicate entry	Pass
